Talking About Forming Rival Federation REFUSE TO DISBAND

Spurn Council's Order To Abolish C I O Within Next 30 Days

He The Associated Free WASHINGTON Aug 6 -- A tre-lendous fight to a fini h between we huge factions of labor union with countless facto jeshops and mines as the scene of action threatened today after American bederation of Labor leaters decided to bunerd Jon L Lewis and 1000000 of his to rebellion

lowers for rebellion. Already thine was talk in the Lewis comp of forming a rival fed elation. Informed labor clicks saw the possibility that the two foundable groups would compete fiercely for each others member and for new tecruits. The decision of the A.F. of Lexecutive council announced last night after a three days trial was that the Lewis group comprising the United Mine Worker and nine more of the stronger tan in righest minors should be suspended. richest unions should be suspended indefinitely unless they repente

No Sign of Feace

To avoid suspension Lewis the United Mine Workers head must disband the Committee for Indus trial Organization through which the 10 affiliated unions are trying niganize mass production kers into huge industrial

SIX DIE IN MICHIGAN unlons regardless of craft lines.

We will not disband the Committee for Industrial Organization he announced. The decision of the

miles west of Muningdon early to day killing two persons and furing 13.

Six of the 15 passengers were trapped beneath the wreckage and rescuers toiled for four hours before the last two women be in conscious were taken out. The bus company identified Frank Haluk of Youngstown as one of the dead. The other was miss Fiorence & Corrigan of Clevelland The bodies were brought here with the injured.

Driver Says Bus Skidded. George Kuklish of Piltsburgh driver and the only one of the occupants to escape injury said his car skidded shorth, after it passed the crest of a hill about 1130 pm.

Approximately 75 guard posts were knocked down by the sws/ing bus before it overturned. The top was sheared off and rested on the highway. The bus rolled over again and stopped at right angles to the road.

One of the women passengers described the sensation. We were going along in the rall when all of a sudden the bacter of the passen swaying first to one side then the other Some one side them the other some one side then the other Some one side then the other Some one side them the other some one side then the other Some one side them the other some one side the search that he might obtain a care their first.

President To Succeed C. O. Midlam.

The election of officers and speeches yesterday afternooms marked the close of the thirty-eighth annual reution of Spanish. American war veterars of the Fourth Ohlo Volunter Infanty seconds receively. In classing the American war veterars of the Fourth Ohlo Volunter Infanty search approximately 200 veterans and members of their families from five savies.

Harry Syfert, Columbia manufacturer, was elected personal and with his wists to old was vary sind extended by approximately 200 veterans and members of their families from five savies. The feel appear of a war, the first depth of the association and R. T. Me. Naghten of Detroil, inspection in the U. S. immistration and naturalization ervice, was canned vice president. Both were elected by acclamation. The remaining of their savies was the tree amount of the college of the college of the owner lected by acclamation. The remaining of their savies was the tree amount of the college of the owner lected by acclamation. The remaining of the college of the owner lected by acclamation. The remaining of the college of the owner lected by acclamation. The remaining of the college of the owner lected by acclamation. The remaining of the college of the owner lected by death. Mr. Hyfert succeeds C. O. Midlam of Marion, and Mr. Mit. The leaves was the treatment of the college of the owner lected by Mr. Syfert.

Returnion Speakers.

Speakers at the gathering were speaker introduced members of the wallow of the association of their war server.

Returnion Speakers.

Speakers at the gathering were speakers to the officers. Their choice will be ennounced during the comming year in 'The Gusyama Busich' under the college of the college of the owner was of short duration it prevailed to the college of the college of the owner was of short duration in the splitt you have shown and the replentid example, you have set.' he declared.

Recalling their service record Mr. Mourer caid that 'while the war was of short duration it prevails.

Silve the coll

set." he declared.

Recalling their service record

Mr. Mourer said that "while the
war was of short duration it produced mightly results in that you
enabled the downtrodden Cubane
to shake off the shackles of
tyranny which surrounded thorm."
And in spite of the service they
rendered, the Spanish-American
war veterans have saked leas of
the country than that to which
they are entitled, he asserted. Mr.
Mouser termed as "Inlas economy"
any legislative attempt to reduce
veterans' pensions. He doctared
that the veterans own it to their
comrades and their families to
fight for their rights in that respect.

spect.
He closed with a ples for con-He closed with a pien for con-tinuance of our present form of government. "Preservation of the American form of government is our principal duty in this day of gigantic monopolice."

our principal duty in this day of gigantic monopolies."

Congratulates Veterana Mr. Liggitt, a Spanish-American of the Fourth" on the large attendance at their reunion and recalled their war record.

'Let us remember," he said, "that we are still in the service." He elaborated on his remark in declaring that "we owe a service to ourselves to obtain what is justily, ours, a second service to our courage and those about us, and a third and greater service to our country in these times of unrest." It was recalled by James E. Mossenger, general chairman of the reunion committee, who introduced the speakers, that Mr. Liggitt sponsored the bill that resulted in erection of a memorial lablet to the Fourth Ohio regiment at Guoyama, Puerto Rico, wite of a five-hour encounter with Spanish troops in which the Fourth took a major part.

Mayor Smitt spoke briefly in

Spanish troops in which the Fouring took a major part.

Mayor Smith spoke briefly in welcoming the veterans and their families to the city. "The city of Marion feels honored by your presence and you may be assured that the key is entirely in your pos-session," he said.

Geno Hill, representing World war veterans, told a number of

The applest of the current Broadway fun lovers seems to be Leoige Marshall the Washington O C laundry man who has given cest to o many parties with his apontanieties. He is a country boy born near Pt Pleasant W. Valfour miles from Gallipolis. O by the way—and statter off as a repshow trouge with Worta Bell the movie director leng one of his crooses. At his malgority, he inherited a broken down faindry and ur prising everybody including him self tutned it into a larruping success. But his meter is from the director the dazzing tungeters there and back stapping came. he enters a place with the modern verion of a Comanche whoop thus giving impression that from

his acceptance speech stronger. There also you will learn that clection will go by default if he follows his present course. Only in the Lenike camp i there complete satisfaction. That is be rause there is no one there except Lenike. will be best for an entire from row at the first night, and a half dozen tables afte ward al. do.co tables afte ward at the relations mich spot One mon n a sud; in kinematics he goe, ou like a lich and nobods will see or heer of him for several months. Then Riumie is in full bloom

men have probably been wrong as
often as most politicians but the
best of them bereabouts will guar has water in it the midwest will increase up in rainfall over a period of years about drouth areas are mostly dis pini iganda For one thing they do not be lieve there is the slightest chance

of the great plains area becoming the great American Sahara For another they do not believe that the plowing of that area had any lifting important to do with the drouth That great movie produced by Prof. Tugwell depicting these theories, they say hore a few heories they say hore a few intimarks of a Hollwood studio scenario That is it certainly did when it implied that the plawing of the planus had anything to do with the washier beyond intreasing the severity of dust stories.

Loose talk now current in the drouth areas is subject to the same classification they say

These fair and warmer fellows have records to show that for years after the pining were plowed up there was more talle than usual At that time the cry was rain follows the plow. This notion was just as false as those now current I ikewise they can show you there were drouths on the plains long before the first plow assisted the flist wrinkle in it. Consider the record of the dust bow! It shows the ruinfall for the five years ending in 1894 was exactly the ware and for the five hard state of the five wars ending in 1915. And the frouth there in the talle 90% was as severe as this one.

He severe as this one.
The truth as they see it is those middle western areas get such a small amount of rain in their best ears that a slight cuitailment o rainfall causes suffering Bul the law of averages indicates it will all even up in the end that when one country fails to get its rain an other country gets the deficience Reports from Europe flow Indicate the rainfall is so heavy it is inter-foring with the harvesting

Over A period of years rainfal history everywhere repeats itself Fricouragement

Nor do the cloud surveyors take any stock in the theory that he cause takes and river have dried up future (sins will be any the lighter in the drouth area. They

ighter in the drouth area. Then such that all the moleture absorbed by the sun in the west and rained on lie west in a year would not make more than one good dioner. They note that hest virgina a wooded and humid state was the

Mr. Claude. Bowers now knows his Spanish onions. As our ambas his open state of the shore in the port of Bilbau on the U.S. 5. Oklainams so the Spaniards could see her fourteen inch guns without sterlining their cycs. He disembarked under those ship guns and informed the least officials. That American war, which he had not to have the manual to account to a specific part of the ships had been set to a specific him.

for the boy friend to bring around and ladder and stage a runaway.

But somehow that seems to lack the flavor There's no point to it.

Or she might keep mother home from Paris or Flerida or the bridge of the shops or the beauty parier long enough to put over a back door sneak at midnight and a Greins Green wedding.

But it is doubtful if she could induce them to restrain their expressions of relief and pleasure sufficiently to play the heavy parent and give the elopement a little kick.

Father Instead of believed.

hick Father instead of boiling the front door and threatening to shout the impetuous young lover would probely sneak upstars and the window And at kindly open the window And at the last moment mother would
